

One article. Two sharing solutions.

Wiley offers two sharing services to easily disseminate your research

1 Wiley Content Sharing

How does it work?

Authors receive a unique sharing link to a read-only version of their article on Wiley Online Library.

Why should I use it?

- **Share with anyone** – The link can be shared with unlimited people

- **Share anywhere** – Post the link on social channels, institutional repositories, author websites, or scholarly collaboration networks that have signed the STM sharing principles

- **Share with ease** – Readers simply click the link to view the article in an Enhanced PDF format

2 Article Share

How does it work?

Select up to ten colleagues to receive unlimited free access to your paper.

Why should I use it?

- **Share rapidly** – The article is automatically shared as soon as it publishes online

- **Share effortlessly** – Nominate your ten colleagues and the service does the rest of the work for you

- **Share strategically** – Hand-select influential colleagues who can help create impact for your research
