

Make your article open access with Statewide California Electronic Library Consortium

Open access payments made easy with your institution or funder

Option 1: Hybrid open access

STEP 1

Once your article is accepted, register or log in to Wiley Author Services at www.wileyauthors.com.[^] Under My Articles, look for your article and click **Manage Article**. Look for a message from your institution or funder and click **Select Open Access**.

Review Open Access eligibility

Open Access Discount Available

Wiley maintains an agreement with Trinity University to cover open access charges for affiliated authors. You are automatically eligible under an agreement with Wiley for a 15% discount on your open access Article Processing Charges (APC) and a USD \$1000.00 contribution paid for by your institution.

- Your institution may cover the costs in full if you do not have available grant funding to pay the APC.
- You will have the opportunity to request that your institution cover the costs in full after selecting the Open Access publishing option to receive full coverage.

STEP 2

CONFIRM YOUR FUNDER(S)

You may be asked to add or confirm the funder(s) you entered during submission. Select your funder from the dropdown list or click **Add Funder** and start typing to search. You may also tick **"I did not receive funding for this article."** Then, enter any grant details.

Please confirm your funders for this article

Correctly declaring your funders helps us ensure that you're compliant with any funder mandates and determines if you're eligible for open access funding.

This journal offers a number of [licensing options](#). By signing, you confirm that you are able to grant the necessary permissions for this article and its supplementary materials. These permissions include your funder policy restrictions. You are expected to meet your funder's policies, for example if the funder is a member of [Coalition S](#).

STEP 3

CONFIRM YOUR AFFILIATION(S)

You may be asked to add or confirm the affiliation(s) you entered during submission.

If you entered an eligible institution, you will see an **Open Access Discount message**:

Open Access Discount

This institution has an agreement with Wiley and the article is eligible for open access at a discounted APC.

Please specify your affiliations for this article

Please add your primary affiliation with the institution where the research for this article was conducted.

Correctly declaring your affiliations helps us determine if your institution can cover your open access Article Publication Charge (APC). This will not affect any information in the published article.

- Do not include any of your co-authors' affiliations
- When searching for your affiliation, select your institution only; do not include a department, office, or other subdivision (e.g., enter "University of Oxford" and not "University of Oxford Department of Economics")

USD	42700	\$1202.50
GBP	16840	£772
EUR	43660	€952

Do you have grant funding to pay for the remainder of your APC?

Yes, I have grant funding to pay the remaining publication cost.

No, I do not have the grant funding to pay the remaining publication cost. I would like to receive funding from my institution.

Please indicate the reason grant funding is not available to pay the remainder of your APC. This information is for aggregate data collection purposes only. Your selection will not impact your funding request.

The work is not funded by a research grant, and there are other sources of funding available

I did not budget for publication in my grant, and my grant has no discretionary funds that can be used for APCs

My grant is too small to cover this fee

My funding agency does not allow use of grant funds to pay for APCs

My research grant has expired
