Re: Manuscript entitled _____ (the "Contribution")

for publication in _____ (the "Journal")

published by _____ ("Wiley")

Dear Contributor(s):

Thank you for submitting your Contribution for publication. In order to expedite the editing and publishing process and enable Wiley to disseminate your Contribution to the fullest extent, we need to have this Agreement executed. If the Contribution is not accepted for publication, or if the Contribution is subsequently rejected, this Agreement will be null and void. **Publication cannot proceed without a signed copy of this Agreement and payment of the appropriate article publication charge in full (without deduction of any taxes or fees).**

A. TERMS OF USE

1. The Contribution will be made Open Access under the terms of the [Creative Commons Attribution-NonCommercial License](#) which permits use, distribution and reproduction in any medium, provided that the Contribution is properly cited and is not used for commercial purposes.
2. For an understanding of what is meant by the terms of the Creative Commons License, please refer to [Wiley's Open Access Terms and Conditions](http://www.wileyauthors.com/OAA) (<http://www.wileyauthors.com/OAA>).
3. Notwithstanding acceptance, the Owner or Wiley may (but is not obliged to) require changes to the Contribution, including changes to the length of the Contribution, and/or elect not to publish the Contribution if for any reason, in the Owner's or Wiley's reasonable judgment, such publication would be inconsistent with the Core Practices

and associated guidelines set forth by the Committee on Publication Ethics (a not-for-profit organization based in the UK: <https://publicationethics.org/core-practices>) or would result in legal liability, violation of Wiley's ethical guidelines, or violation of journal ethical practices. If the Owner (or Wiley, where Wiley is not the Owner) decides not to publish the Contribution, no Article Processing Charge or any other fee shall be charged. The Contributor is free to submit the Contribution to any other journal from any other publisher.

B. RETAINED RIGHTS

The Contributor or, if applicable, the Contributor's Employer, retains all proprietary rights in addition to copyright, such as patent rights in any process, procedure or article of manufacture described in the Contribution.

C. LICENSE

In addition to the non-exclusive rights to the Contribution the Owner has under the CC-BY-NC license, the Contributor grants to the Owner, during the full term of the Contributor's copyright and any extensions or renewals, an exclusive license of all rights of copyright in and to the Contribution that the Contributor does not grant under the CC-BY-NC license, and all rights therein, including but not limited to the right to publish, republish, transmit, sell, distribute and otherwise use the Contribution in whole or in part in electronic and print editions of the Journal and in derivative works throughout the world, in all languages and in all media of expression now known or later developed, for commercial purposes, and to license or permit others to do so. Such exclusive rights do not conflict with the rights granted to users under the terms of the [Creative Commons Attribution Non-Commercial License](#). For the avoidance of doubt, "Contribution" is defined to only include the article submitted by the Contributor for publication in the Journal (including any embedded rich media) and does not extend to any supporting information submitted with or referred to in the Contribution ("Supporting Information"). To the extent that any Supporting Information is submitted to the Journal, the Owner is granted a perpetual, non-exclusive license to publish, republish, transmit, sell, distribute and otherwise use this Supporting Information in whole or in part in electronic and print editions of the Journal and in derivative works throughout the world, in all languages and in all media of expression now known or later developed, and to license or permit others to do so. If the Contribution was shared as a preprint, the Contributor grants to the Owner exclusivity as to any rights retained by the Contributor in the preprint.

D. CONTRIBUTIONS OWNED BY EMPLOYER

If the Contribution was written by the Contributor in the course of the Contributor's employment as a "work-made-for-hire" and the employer owns the copyright in the Contribution, then the employer company/institution agrees to the terms of use set forth in paragraph A above and must execute this Agreement (in addition to the Contributor) in the space provided below. In such case, the company/institution hereby grants to the Owner, during the full term of copyright, an exclusive license of all rights of copyright in and to the Contribution throughout the world for commercial purposes as specified in paragraph C above.

E. GOVERNMENT CONTRACTS

In the case of a Contribution prepared under U.S. Government contract or grant, the U.S. Government may reproduce, without charge, all or portions of the Contribution and may authorize others to do so, for official U.S. Government purposes only, if the U.S. Government contract or grant so requires. (U.S. Government, U.K. Government, and other government employees: see notes at end.)

F. COPYRIGHT NOTICE

Owner (and Wiley, where Wiley is not the Owner), the Contributor, and the company/institution agree that any and all copies of the Contribution or any part thereof distributed or posted by them in print or electronic format as permitted will include the notice of copyright as stipulated in the Journal and a full citation to the final published version of the Contribution in the Journal as published by Wiley.

G. CONTRIBUTOR'S REPRESENTATIONS

The Contributor represents that: (i) the Contributor and all co-Contributors have the full power, authority and capability to enter into this Agreement, to grant the rights and license granted herein and to perform all obligations hereunder; (ii) neither the Contributor nor any co-Contributor has granted exclusive rights to, or transferred their copyright in, any version of the Contribution to any third party; (iii) the Contribution is the Contributor's original work, all individuals identified as Contributors actually contributed to the Contribution, and all individuals who contributed are included; (iv) if the Contribution was prepared jointly, the Contributor has informed the co-Contributors of the terms of this Agreement and has obtained their signed written permission to execute this Agreement on their behalf as their agent; (v) the Contribution is submitted only to this Journal and has not been published before, has not been included in another manuscript, and is not currently under consideration or accepted for publication elsewhere; (vi) if excerpts from copyrighted works owned by third parties are included, the Contributor shall obtain written permission from the copyright owners for all uses as set forth in the standard permissions form and the Journal's Author Guidelines, and show credit to the sources in the Contribution; (vii) the Contribution and any submitted Supporting Information contain no libelous or unlawful statements, do not infringe upon the rights (including without limitation the copyright, patent or trademark rights) or the privacy of others, do not breach any confidentiality obligation, do not violate a contract or any law, or do not contain material or instructions that might cause harm or injury, and only utilize data that has been obtained in accordance with applicable legal requirements and Journal policies; and (viii) there are no conflicts of interest relating to the Contribution, except as disclosed. Accordingly, the Contributor represents that the following information shall be clearly identified on the title page of the Contribution: (1) all financial and material support for the research and work; (2) any financial interests the Contributor or any co-Contributors may have in companies or other entities that have an interest in the information in the Contribution or any submitted Supporting Information (e.g., grants, advisory boards, employment, consultancies, contracts, honoraria, royalties, expert testimony, partnerships, or stock ownership); and (3) indication of no such financial interests if appropriate.

H. USE OF INFORMATION

The Contributor acknowledges that, during the term of this Agreement and thereafter (for as long as necessary), the Owner (and Wiley, where Wiley is not the Owner) may process the Contributor's personal data, including storing or transferring data outside of the country of the Contributor's residence, in order to process transactions related to this Agreement and to communicate with the Contributor, and that the Publisher has a legitimate interest in processing the Contributor's personal data. By entering into this Agreement, the Contributor agrees to the processing of the Contributor's personal data (and, where applicable, confirms that the Contributor has obtained the permission from all other contributors to process their personal data). Wiley shall comply with all applicable laws, statutes and regulations relating to data protection and privacy and shall process such personal data in accordance with Wiley's Privacy Policy located at: <https://www.wiley.com/en-us/privacy>.

I agree to the OPEN ACCESS AGREEMENT as shown above, consent to execution and delivery of the Open Access Agreement electronically and agree that an electronic signature shall be given the same legal force as a handwritten signature, and have obtained written permission from all other contributors to execute this Agreement on their behalf.
