

Wiley Submission Checklist

Your final submission should include:

- Final chapters numbered with appropriate chapter number
- Final high-resolution version of each image file, submitted separately from chapter in one of our acceptable formats
- Captions, credit lines, and consecutive numbers for all artwork and tables
- Image files numbered with appropriate chapter number and image number
- A full Table of Contents that includes section numbers and names up to 3 sublevels
- Any preliminary material (e.g., Dedication, Acknowledgements, Contributors, List of Abbreviations, Foreword, Preface) you wish to include
- Any back matter (e.g., bibliography, references, appendices, glossary, index) you wish to include
- A complete set of permission grants, labelled clearly and numbered to the corresponding image
- Abstracts and keywords for each chapter for inclusion in the online version of your book
- The names of all main authors and co-authors with current affiliation, complete postal address, and email address
- For edited volumes, contact information for all contributors (at the minimum, an email address for the corresponding author of each chapter)
- For LaTeX submissions, a full set of all .tex files and figures, and a PDF of the full manuscript

Please contact your Project Editor with any questions on this checklist.
